

Lose yourself, Eminem

Look

If you had one shot

Or one opportunity - To seize everything you ever wanted

In one moment - Would you capture it, or just let it slip?

His palms are sweaty, knees weak, arms are
heavy

There's vomit on his sweater already, mom's
spaghetti

He's nervous,

but on the surface he looks calm and ready

To drop bombs, but he keeps on forgettin'

What he wrote down, the whole crowd goes so
loud

He opens his mouth, but the words won't
come out

He's chokin', how, everybody's jokin' now

The clocks run out, times up, over, blaow

Snap back to reality, ope there goes gravity

Ope, there goes Rabbit, he choked

He's so mad, but he won't give up that easy?

No

He won't have it, he knows his whole back's to
these ropes

It don't matter, he's dope, he knows that, but
he's broke

He's so stagnant, he knows, when he goes
back to this mobile home, that's when it's
Back to the lab again, yo, this whole rhapsody

Better go capture this moment and hope it

don't pass him

You better **lose** yourself in the **music**, the **moment**

You **own** it, you better never let it go

You only get one shot, do not miss your chance to blow

This opportunity comes once in a lifetime

You better **lose** yourself in the **music**, the **moment**

You **own** it, you better never let it go

You only get one shot, do not miss your chance to blow

This opportunity comes once in a lifetime
